

It's A Far-Flung End of the Year Fun Run Weekend!

December 17 & 18, 2022 Papa'ikou field

Be on site by 8:00AM.

The first walk through will begin at 8:15AM.

Please join us for a great weekend of agility fun, with something for everyone. Come and play all weekend on different courses each day.

We are offering 5 runs each day: Saturday NADAC Regular (two runs) and two runs of AKC style regular; and one of AKC FAST. On Sunday we will again run regular NADAC (two runs); two runs of AKC style jumpers, and one run of USDAA Snooker. For courses other than NADAC, we will nest an advanced and novice course on the field for you to choose. (So maybe run one the first round and the other the second!)

Use the weekend as a fun run or bring a video gizmo to record several of your runs for NADAC points. Come one day or both! Do one run or do them all! Important: If you are running for points in NADAC, please make arrangements to have someone video tape your runs in advance.

Crates and shade are available with priority given to Far-Flung students. There is county water on site and stock tanks for the dogs.

Toys and treats are a great idea.

Here is the webpage with an explanation the NADAC VT program: <https://www.nadac.com/vt-submission-reminders/>

Fees: \$5 per run per dog. Entries & payment must be received by Monday December 12th. Email or hand deliver entry details to Toni Barnhart at tonibarnhart@mac.com You can pay out of lesson money currently on the books, or send along a check, use Venmo, or pay in cash.
